SEE MORE

## APRIL TO AUGUST 2013 :

Web Designer at OpenAgent in Sydney (OZ) :

Working Independently on a complete overhaul of the website graphic design, Creation of a new logo and various communication media. I was able to rework the visual of the site adapting to the requirements of my supervisors. I was also responsible for creating the official documents of the startup.

## APRIL TO MAY 2014 :

Web & Graphic Designer at MISOPA in Besançon (FR) :

My mission was : the redesign of the current website, until the complete creation of new charters and visual identities. All this in order to refresh the brand and thus, allow the company to reposition itself relative to the competition in order to gain new markets or establish new partnerships for future projects.

## FEBRUARY TO AUGUST 2016 :

Web & Graphic Designer at MINIMAL in Montréal (CA) :

I worked on many project of branding and visual identity redesign. I also realized all promotional materials for an electronic music festival (MEG), from print to web supports. Achieving the wireframes for websites is now part of my skills (AXURE) .

## OCTOBER 2016 TO DECEMBER 2018 :

Digital Media Designer at VISICOD in Auxerre (FR) :

I worked on many project, during these two years I realised Many visual of website for different types of craftsmen and their brochures or business cards.
